Mounting hardware

The Trojan Portable Utility Winch is a complete winching solution in a convenient kit that features a 4,000 lb rated line pull winch on a unique powder coated winch platform, all in a compact, easy to carry composite tool box. The kit is easy to store, use, and repack.

Completely portable, the Trojan requires no installation and does not require a winch mount; however, it can be permanently mounted on a trailer and be used as a utility winch if desired.

- 1814 KG Pulling Power (4000 lbs)
- Built in 1/4 inch hardened steel plate
- Can be permanently mounted
- Quick plug and play functionality
